**RFP - Architectural, Engineering and Construction (A & E) Services–New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

**SECTION 1 – INSTRUCTIONS AND NOTIFICATIONS TO OFFERORS**

**INTRODUCTION**

1. Hospital Authority of Jeff Davis County (d/b/a Jeff Davis Hospital) is soliciting proposals from qualified firms to provide Architectural, Engineering, and Design Services associated with the construction of a new Adult and Geriatric Psychiatric Facility as described elsewhere herein, and in accordance with the terms of this Request and the Georgia Hospital Authority's Department (available at [www.purchasing.ri.gov](http://www.purchasing.ri.gov)).
2. This is a RFP / Invitation for Bid: responses will be evaluated on the basis of the relative merits of the proposal, in addition to price; there will be no public opening and reading of responses received by the Office of Purchases pursuant to this Request, other than to name those offerors who have submitted proposals.
3. Potential offerors are advised to review all sections of this Request carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.
4. Alternative approaches and/or methodologies to accomplish the desired or intended results of this procurement are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this Request will be rejected as being non-responsive.
5. All costs associated with developing or submitting a proposal in response to this Request, or to provide oral or written clarification of its content shall be borne by the offeror. The Hospital Authority assumes no responsibility for these costs.
6. Proposals are considered to be irrevocable for a period of not less than ninety (90) days following the opening date, and may not be withdrawn, except with the express written permission of the Hospital Authority's Purchasing Agent.
7. All pricing submitted will be considered to be firm and fixed unless otherwise indicated.
8. Proposals misdirected to other Hospital Authority locations or which are otherwise not present in the Hospital Authorities Agent at the time of opening for any cause will be determined to be late and may not be considered.
9. Equal Employment Opportunity Declaration of policy. – (a) Equal opportunity and affirmative action toward its achievement is the policy of USDA Rural Development Agency and the Hospital Authority. This policy applies in all areas where the USDA Rural Development dollar is spent, in employment, public service, grants and financial assistance, and in USDA Rural Development regulation.
10. Subcontracts are permitted, provided that their use is clearly indicated in the offeror's proposal, and the subcontractor(s) proposed to be used are identified in the proposal.

**RFP - Architectural, Engineering and Construction (A & E) Services—New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

**ARCHITECTURAL / ENGINEERING SERVICES**

1. Persons or firms practicing Architectural and/or Engineering Services must possess a proper registration and Certificate of Authorization in accordance with Georgia's General Laws.
2. **A copy of the current Georgia Certificate of Authorization for the firm and current Georgia registration(s) for the individual(s) who would perform the work must be included behind the front page of each copy of the Proposal.**
3. Firms are required to submit RFP using the current version of Statement of Qualifications DCH HFR Design and Construction website at:  
<https://dch.georgia.gov/hfr-design-and-construction>
4. Submit all questions regarding this LOI & RFP in writing to Mark Renfro at [marenfro@outlook.net](mailto:marenfro@outlook.net) with the project name included in the subject line (phone calls are acceptable).

**SECTION 2 – SCOPE OF WORK**

**BACKGROUND AND PURPOSE**

1. *The Jeff Davis County Hospital Authority, d/b/a Jeff Davis Hospital is organized and exists under the provisions of the Georgia Hospital Authorities Law. The Authority has the ultimate responsibility and authority for all activities of Jeff Davis Hospital and surrounding counties in their service area. The overall purpose of the authority is to formulate hospital policies to guide the administrative decision-making process. The primary functions of the authority are to provide leadership for effective organization, stewardship of the hospital resources, representation to the external environment, quality assurance and articulation of the community needs and attitudes.*

Jeff Davis Hospital (JDH) is a Hospital Authority, Joint Commission Accredited Critical Access Hospital licensed for 25 beds in Hazlehurst Georgia. The organization additionally has one employed Family Practice Physician working in the owned Urgent Care Facility and one employed Nurse Practitioner working in the owned Family Practice Medical Office. Our Medical Staff consists of thirteen Primary Care providers, a General Surgeon, Radiologists, Pathologists and a Psychiatrist. The hospital provides Inpatient, Outpatient, Observation and Swing Bed Services to our patients. 24/7 Emergency Room Care is available and is staffed by a contracted Physician Group. Other services provided are: Laboratory, Respiratory, Diagnostic Radiology Services, Surgical Services, Dietary Services and Counseling, and Outpatient Behavioral Health Program.

**Need for the Facility**

The Adult/Senior Psych Care Coordination program will be developed with 10 adult inpatient psychiatric beds. These 10 beds will be used solely for the geriatric adult inpatient psychiatric program (Adult/Geri-Psych Unit). The project involves approximately 8,500 square feet of new construction connected to the existing 1st floor

**RFP - Architectural, Engineering and Construction (A & E) Services–New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

Med/Surg wing facilities and support services. Total estimated cost of approximately \$2,483,082.00, which includes medical equipment and medical furnishings. The new adult-geriatric psychiatric unit will be managed by Jeff Davis Hospital and will be accessible to all residents of State Service Delivery Region (SSDR) 9 and the Primary and Secondary Service Areas. This project is expected to add over 15 FTE staff positions to the unit.

2. The Jeff Davis County Hospital Authority was established in 1959 because the community saw the need for a hospital in Jeff Davis County.

Clyde Duncan Memorial Hospital opened August 8, 1963 with 26 beds. Soon all beds were full and there was a need for more space therefore the first expansion was completed in 1969 with the addition of 16 beds making the hospital a 42 bed facility. Again, due to high occupancy and the need for additional bed capacity in 1972 there was a second expansion adding 14 beds, Business Office, Laboratory and Conference Room. Jeff Davis Hospital now had 56 beds. In 1993 the third expansion was completed which created a new Emergency Department, Laboratory, Pharmacy, ICU, Chapel, ICU Waiting room, X-ray Department and Medical Records Department - the largest expansion thus far. This expansion eliminated six beds reducing the facility to a 50 bed hospital. In 1994 plans were started to become a Joint Commission accredited hospital and completed in 1998. In 2004 Jeff Davis Hospital became a Critical Access Hospital with 25 beds.

3. The Hospital Authority of Jeff Davis County is seeking a qualified Architectural firm to provide:
  - a. Provide full architectural, engineering and design services including development of full Construction Documents and Construction Administration Services for the New Adult and Geriatric Psychiatric Facility and new connecting corridor.

***B. PHASE I SERVICES:***

1. Adult and Geriatric Psychiatric Facility:
  - a. Design:
    - i. An Architectural Feasibility Report<sup>1</sup>, including a block diagram and list of spaces has been completed in-house by the Hospital Authority of Jeff Davis County and Property Management in conjunction with the Georgia's Department of Behavioral Health, Developmental Disabilities and Hospitals. This document (CON #), appended, will serve as the basis for the new building. A feasibility level independent professional cost estimate has also been completed. The successful vendor will be required to revisit and reconfirm the feasibility study with end user and Capital Projects staff.
    - ii. As shown on our Block Diagrams, the new psychiatric facility will house psychiatric inpatient hospital level services for a population of approximately 10 adult psychiatric service patients or psycho-geriatric service patients.

---

<sup>1</sup> [https://www.rd.usda.gov/files/TX\\_CFProjectGuide.pdf](https://www.rd.usda.gov/files/TX_CFProjectGuide.pdf): The regulation that applies to Community Facilities – Planning, Bidding, Contracting, and Construction is RD Instruction 1942-A, Section 1942.18. Please contact the Area Office Specialist for any additional information.

**RFP - Architectural, Engineering and Construction (A & E) Services—New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

2. Deliverables:

- i. A preliminary layout for the new building for this purpose will be required and will include a written description of every space, together with its size, occupancy, criticality, furnishings, and systems including but not limited to security, mechanical, electrical (including permanent and uninterrupted power), information technology, HVAC, site and parking, as well as fire detection and suppression systems. The program document will include an analysis of Building and Life Safety Code requirements for Use Groups I-2 and I-3. The program document will be developed through coordination with the Georgia's Department of Behavioral Health and Developmental Disabilities, Department of Community Health and the State of Georgia's USDA Rural Development State Office, Athens, GA.
- ii. This report will take into account the need for client spaces, clinical space, administrative space needs, support spaces and, building maintenance needs. It will also take into account all current and anticipated requirements of fire/life/safety and building codes for this use group as well as all pertinent facility requirements of the Georgia's Department of Community Health's hospital standards as well as Joint Commission on the Accreditation of Hospitals Standards and, Medicaid and Medicare physical plant reimbursement standards and all other Authority Having Jurisdiction (AHJ).
- iii. The building will be designed to meet a minimum of LEED Silver level certification or a similar, equivalent standard. All references to LEED certification in this document shall be interpreted to mean LEED Silver or an equivalent standard as approved by the Hospital Authority.
- iv. The successful vendor will be required to provide up to three preliminary facility layouts/test fits at no additional cost.
- v. A preliminary site layout including parking, landscaping, wetlands, drainage, and other environmental considerations. The successful vendor will be required to obtain Department of Behavioral Health and Developmental Disabilities (BHDD) and Department of Community Health's sign off on the preliminary layout and site plans.
- vi. A full building code analysis for the intended use(s) will be required.
- vii. A full fire code analysis for the intended use(s) will be required.
- viii. A full analysis of universal design issues in consultation with the Governor's Commission of Disabilities will be required.
- ix. An analysis and plan for achieving LEED (Leadership for EnergyEfficient Design) Silver standards and/or certification will be required.
- x. **Cost Estimate** - Upon acceptance of the preliminary documents listed above, the successful firm shall furnish a professionally produced independent construction cost estimate at the schematic design level based on work and scope items specific to this project carried forward to the projected bid date. This estimate shall include any furniture, fixtures and equipment (FF+E) as developed during this phase of work as well as all anticipated hard and soft costs as well as LEED Silver level Certification costs and fees.

NOTE: In the fulfillment of iii) through x) above, the successful Firm will hold preliminary meetings with all authorities having jurisdiction including, but not

**RFP - Architectural, Engineering and Construction (A & E) Services—New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

limited to the Georgia Department of Community Affairs (Building Code Commission), Department of Community Health, the Georgia State Office for the USDA Rural Development (Athens, GA) and the Hospital Authority of Jeff Davis County and Fire Marshall's Office, the City of Hazlehurst Fire Department and, the Governor's Behavioral Health and Developmental Disabilities.

3. Owner's Right to either Terminate the Contract or Continue
  - a. At the conclusion of Phase I services the owner shall reserve the right to either terminate the contract or continue with Phase II services. Any and all cancellation shall be considered as "cancellation for convenience". The firm shall, at that juncture, have no basis of claim for any damages or for lost profits for work not preformed.
4. The Hospital Authority, at its sole option, can continue services through Phase II with the successful bidder.

**C. PHASE II SERVICES:**

1. Deliverables:
  - a. The successful firm will provide any and all architectural, engineering and design services, for the development of full Construction Documents, and provide Bidding and Construction Administration Services for the New Forensic, Adult and Geriatric Psychiatric Facility.
    - 1) The successful firm will provide any and all architectural, engineering and design services required by code to allow for use groups I-2 and I-3 and consistent with all AHJ's and regulatory authorities required. The scope of this project shall also include all site improvements specifically required by the new building in order to provide adult psychiatric, psycho-geriatric services and psychiatric forensic services including, but not limited to, architectural services required to prepare and receive a Certificate of Need.
  - b. The successful firm will provide specialty services as required for design development, contract documents, specifications and bidding for new Furniture/Fixtures and Equipment (and coordination of existing FF & E to be incorporated into the new facility), LEED application and verification services and interior design services for the design, specification and coordination of finishes.
  - c. Other components of Phase II shall include: Two additional independent cost estimates, one at the completion of design development (after which the owner may reduce the scope of the project) and one at approximately 60 percent of construction documents. Each estimate shall include new FF & E and the coordination of existing FF & E to be relocated to the building. The last cost estimate shall allow enough time for value engineering service to be provided so as to bring the project in line with the Owner's budget for the work. Value engineering and redesign services shall be provided as part of this scope of work **at no additional cost.**

**RFP - Architectural, Engineering and Construction (A & E) Services—New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

**SECTION 3 – EVALUATION CRITERIA**

**A. PROPOSALS**

1. Responses will be evaluated in two parts. Part one is a Technical Proposal and Part two is a Professional Services Fee Proposal.
2. The Hospital Authority of Jeff Davis Board will appoint a special Technical Review Committee will review all submissions. A “short list” of finalists will be developed and each finalist will be given two weeks to present a sealed Professional Services Fee Proposal to the Hospital Authority. The cost proposal shall indicate the number and type of professionals to be employed and the hourly rate, including overhead, for each. The cost proposal will also list a total fixed cost for the entire project.
3. The Hospital Authority of Jeff Davis Board (Technical Review Committee) will after review the Sealed Professional Services Fee Proposal will request a formal presentation by the finalists.

**B. PART ONE- TECHNICAL PROPOSAL**

1. Part one will require a technical submission and will be evaluated on the following criteria:
  - a. Competence to perform the desired services by virtue of the experience of the firm, project principals, consultants and partners in providing similar services, and the qualifications and experience of the staff who will be assigned to perform the services. The minimum vendor qualification is that the project principal, or their consultant(s), shall have a minimum of ten years’ experience in the design of buildings of a similar use and the firm shall have a minimum of ten years’ experience with buildings of a similar size, scope and use. The project principal, or their consultant(s), as well as the firm itself, shall have been responsible for the design of a minimum of two facilities of a similar size, scope and use.
  - b. Ability to perform the services expeditiously, as Hospital Authority in the project plan reflecting current workload and the availability of an adequate number of personnel;
  - c. Past performance, as reflected by the evaluation and references of clients for whom similar work has been performed, including but not limited to other Hospital Authority agencies. Ability to meet deadlines and control of costs.

2. Tentative Schedule Target Dates:

**PHASE I**

Award Announcement: May 15, 2017

Firm Selection & Contract: June, 2017

Work Starts (contract signed): July, 2017

Schematic Design Complete: August, 2017

Phase I Cost Estimate: August, 2017

**RFP - Architectural, Engineering and Construction (A & E) Services—New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

**PHASE II**

Notice to proceed: August, 2017

Construction Start: September, 2017

Punch Out/Commissioning: August, 2018

Occupancy: September, 2018

3. Pre-Submission Questions, Pre-Submission Meeting

- a. Questions, in Microsoft Word Format, concerning this solicitation may be e-mailed to the Division of Purchases in accordance with the terms and conditions expressed on page one of this solicitation. Please reference the RFP # Jeff\_Davis on all correspondence. Answers to questions received, if any, will be posted on the Internet as an addendum to this solicitation. It is the responsibility of all interested parties to download this information.
- b. **A mandatory pre-bid webinar will be held on the date indicated on page 1 of this solicitation.**

4. Proposal Submission

- a. Offers to provide the services covered by this Request must be received by the Division of Purchases on or before the date and time indicated on page one of this solicitation. Responses (an original plus two (2) copies) should be mailed in a sealed envelope marked “RFP: **Adult, and Geriatric Psychiatric Facility for the Hospital Authority of Jeff Davis County**” to:

Mark Renfro  
HealthIE Georgia  
331 Ridgecrest Circle  
Clayton, GA 30525

- b. **NOTE: Proposals received after the above-referenced due date and time will not be considered. Proposals misdirected to other Hospital Authority locations or which are otherwise not presented in the Division of Purchases by the scheduled due date and time will be determined to be late and will not be considered. Proposals faxed, or emailed, to the Division of Purchases will not be considered. The “official” time clock is located in the reception area for the Division of Purchases.**

**RFP - Architectural, Engineering and Construction (A & E) Services–New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

5. Proposal Content – Proposals must include the following:
- a. A completed and signed three-page LOI Contractor Qualification form  
<http://www.healthiega.org/rfp-documents.html>
  - b. A completed and signed W-9 downloaded from the IRS Internet home page.
  - c. In addition to the multiple hard copies of proposals required, Respondents are requested to provide their proposal in electronic format (CD-ROM / flash drive). Microsoft Word / Excel OR PDF format is preferable. Only 1 electronic copy is requested. This CD or flash drive should be included in the proposal marked “original”.
  - d. Narrative, Project Plan and References:
    - 1) Narrative of the Experience of the Firm and Project Principals:
      - a) Describe the firm’s general experience as well as its experience and qualifications with juvenile corrections projects of a similar size, scope and use. Identify the Project Manager, other consultants as well as other members of the project and design team. Please list the level of effort to be committed to this project by each assigned staff or consultant in hours per week for the duration of the project. List the percentage of work to be completed by the firm and the percentage to be completed by outside consultants. Include Standard Form 330 (for prime contractor and all sub-contractors) in this section. Indicate the plan for compliance with the Hospital Authority’s MBE requirements.
    - 2) Project Plan:
      - a) This section shall describe the firm’s understanding of the Hospital Authority’s requirement, including the result(s) intended and desired, the approach and/or method to be employed, and a Work Plan for accomplishing the results proposed. The description of approach shall discuss and justify the proposed approach for each task, and the technical issues that will or may be confronted at each stage and steps taken to assure that the project conform to time and financial constraints. The Work Plan description shall include a general project schedule that will be employed to administer the project, the assignment of staff members and concentration of effort for each, and deliverables for each. A more detailed Work Plan will be required from short-listed firms.
    - 3) References:
      - a) Select a minimum of three and a maximum of five projects and provide principal contacts, including all contact information, for projects of a similar size, scope and use to the proposed project. These individuals will be contacted by members of the selection committee for further information. Please see evaluation criteria below relating to references.

**RFP - Architectural, Engineering and Construction (A & E) Services–New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

6. Evaluation Criteria:

**a. Experience of the Firm and Project Principals**

- 1) The OFFEROR has experience with projects of a similar size, scope and use:
  - a) Psychiatric Hospital Design Experience (principal or consultant)
  - b) Experience within team working on centralized campus infrastructure
- 2) The Project Manager and each staff and/or consultant assigned to the project have the background and experience necessary for a successful project as evidenced by:
  - a) Project manager and consultant(s) have experience with this use group
  - b) Assigned staff and consultants experienced with projects of similar size, scope and use and include LEED certified projects
- 3) The architectural team incorporates program goals and criteria into their design work.
  - a) OFFEROR demonstrates clear evidence that they understand the owner's goals and project criteria including cost control, quality control and schedule

**b. Project Plan**

- 1) A clear project plan is presented along with deliverables and time lines
- 2) The OFFEROR analyzed, interpreted and discussed issues presented by the project in a manner likely to meet the needs of the Owner and end users
- 3) The plan is sensitive to budget and time constraints
- 4) The plan addresses relevant design and program, building and code issues
- 5) The plan includes a discussion of value engineering and LEED standards
- 6) The OFFEROR identifies both constraints and opportunities posed by this project
- 7) The staff assigned to the project, including the project manager, sub-contractors, engineers and others are identified including FTE or hourly effort and that effort is adequate to achieve project goals.

**c. References – Past Performance**

- 1) References are provided for projects of a similar size, scope and use to the proposed project.
- 2) The reference(s) reported that the project came in on time and on budget
- 3) The rate of change orders acceptable for a project of this size
- 4) The OFFEROR devoted adequate time for construction administration services and adequate review and response to both shop drawings and field conditions
- 5) Has the reference continued to use the OFFEROR for additional projects.

**C. PART TWO - PROFESSIONAL SERVICES FEE PROPOSAL**

**RFP - Architectural, Engineering and Construction (A & E) Services–New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

1. As part of this RFP, the short-listed firms will be requested to provide a fee proposal for full Phase I & II services as listed above including all deliverables described for the New Adult and Geriatric Psychiatric Facility. This shall be a fixed fee budget, which includes, as a separate line item, expected reimbursable.
2. As part of this RFP, short-listed firms will be requested to provide a fee proposal for full Architectural, Engineering and Specialty Services to provide the work and deliverables indicated in the Phase II Services above.
3. Short-listed firms are to provide a Phase II fixed fee cost proposal based on a total construction cost.
4. It is required that short-listed firms provide a single fee proposal for programming, existing conditions survey and preliminary design services as described above. **A professional cost estimator who is not an employee of the firm and who is pre-approved by the Owner shall produce the required construction cost estimates.** Short-listed firms will also provide a fixed fee for complete A/E services based on the anticipated project cost listed above for Phase II services.
5. The Hospital Authority reserves the right to award on price alone.
6. The Hospital Authority's Technical Review Committee will evaluate submitted proposals on the basis of the above criteria items. Consultant Teams may be invited to appear before the Committee for in-person presentations at any time during this solicitation process. The Committee will then make a qualifications based recommendation for final selection to the Hospital Authority of Jeff Davis County's Board, or their designee, who will make the final award decision.
8. Notwithstanding the above, the Hospital Authority reserves the right not to award this contract or to award on the basis of cost alone, to accept or reject any or all responses, and to award in its best interest.
9. Responses found to be technically or substantially non-responsive at any point in the evaluation process will be rejected and not considered further. The Hospital Authority reserves the right to reject any or all responses submitted and to waive any informality in any vendor's submission.

**D. ADDITIONAL TERMS AND CONDITIONS**

1. The successful firm shall be solely responsible for meeting all terms and conditions specified in this RFP, and any resulting contract. The use of any subcontractors or other vendors must receive prior approval by the Hospital Authority. The Hospital Authority shall reserve the right to clarify the terms and conditions of any proposal submitted. The firm recommended for award will be notified by the Hospital Authority. A contract, based on standard A.I.A. documents will be developed by the Hospital Authority's attorney and will incorporate a final work plan and schedule. The

**RFP - Architectural, Engineering and Construction (A & E) Services—New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

selected firm must agree to provide all deliverables by the dates established in the final work plan and schedule in the resulting contract.

2. The Hospital Authority anticipates considerable staff involvement in a project team and working group(s). Due to the public nature of this project, the successful firm will also be required to appear before various authorities including, but not limited to, Hospital Authority and local fire, building and zoning officials as well as legislative oversight committees. Fee proposals shall be adequate to allow complete participation of the project manager and other key principals in these essential processes.
3. There is likelihood that the Owner as well as the end users will each employ an owner's representative. The successful firm shall ensure that that adequate time is reserved for conferences and meetings with these owner representatives.
4. The vendor must complete all tasks listed throughout this request within the time frame specified in the final work plan and schedule and in the resulting contract and, also:
  - a. Appoint a project manager who will be responsible for seeing that all services are performed within the agreed upon time limits and meet the needs of the Owner. The vendor shall not change its designated representative during the performance of the services without prior written consent by the Hospital Authority.
  - b. The firm must comply with all Hospital Authority, State and Federal statutory, regulatory and ANSI standards. The firm must cooperate and coordinate with other Hospital Authority agencies, contractors or entities, if necessary, to successfully complete this proposal. Rights to data, work products, etc., revert to the Hospital Authority upon completion of the contract. All information related to vital records and systems must be kept confidential at all times during and after completion of the project.
  - c. All project documents shall be submitted in hard copy and in electronic format.
  - d. Reimbursable Expenses when authorized in advance in writing by the Hospital Authority, will be paid based on verified costs plus a fee not to exceed six percent and shall generally be limited to document reproductions, postage and handling. Reproductions for office use by the firm and its' consultants are not reimbursable.
  - e. The granting of a contract for Phase I services does not bind or otherwise obligate the Hospital Authority to utilize the services of the successful vendor for Phase II services. A decision regarding the continuation of services to include Phase II services shall be made at the completion of the deliverables required by Phase I including but not limited to: **“Schematic Design”**, **“Demolition of the Varley Building”** and **“Construction Cost Estimate** as described elsewhere herein. Phase II services shall not be started until written notice to proceed is given by the Hospital Authority.

**RFP - Architectural, Engineering and Construction (A & E) Services—New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

- f. Five percent (5%) retainage shall be held by the Hospital Authority until the satisfactory completion of the above referenced scope of work.
5. **Conflict of Interest** – The successful firm will attest that the firm, its employees or its consultants shall have, or enter into, any contract or business venture with any general contractor or trade sub-contractor who is chosen to work on this project.
6. **Cancellation for Convenience-** The Hospital Authority reserves the right to cancel for its convenience, and give seven (7) days’ notice, any and all contracts that are entered into as the result of this award and the firm shall have no claim to any reimbursement for lost work or profits and only have claim for work done until the date of cancellation for convenience.
7. **Alterations to AIA forms-Front end-** The Owner will make available to the successful firm AIA bidding front end and general conditions documents that will require editing for the purposes of this project. The firm attests to including the editing and publishing time required for this work at no additional cost to the owner.
8. **VE Incorporation at no Extra Cost-** The firm shall perform, at no additional cost, any and all value engineering as required to bring the project into budget after the receipt of the professional, independent cost estimates. The firm shall also keep an informal Hospital Authority of probable cost and provide value engineering corrections on an ongoing basis paralleling design and engineering work.
9. **Written Approval and Sign-offs-** The firm shall obtain written approvals from the owner and end user at each stage of design, including schematic design, design development, 60 percent construction documents and the bid documents. These approvals are in addition to all required AHJ approvals.
10. **Bid Review and Contractor De-scoping-** The firm shall make the project principals and all key engineering staff and/or consultant(s) available for the de-scoping of as many as four contractors. The results of this de-scoping shall be provided in writing to the owner.
11. **CA Staff time** – Adequate construction administration (CA) time shall be included in the fee proposal so that the successful firm can be on site a minimum of one full-time day weekly, and additionally as needed, to assure that the work progress and quality are adequate as judged by the owner and the AHJ’s.
12. The successful firm will be allowed to invoice monthly based on the percentage of work complete as follows:
  - Phase I (programming /schematic design) – 15% Design
  - Development – 10%
  - Construction Documents – 50%
  - Bid phase – 5%
  - CA – 20%

**RFP - Architectural, Engineering and Construction (A & E) Services–New Adult and Geriatric Psychiatric Facility for HOSPITAL AUTHORITY OF JEFF DAVIS COUNTY d/b/a Jeff Davis Hospital**

- Phase II (construction) – 15%
- Construction Monthly Draws – 60%
- Punch Out/Commissioning - 10%
- Occupancy – 10%

13. The retainage shall be held in an amount of 5% on all payment applications until final close out.
